## NOVATOP SWP

**Identification code:** SWP 10 (Local spruce), SWP 30 (Nordic spruce), SWP 50 (Larch).

**Type:** Multilayer solid wood panel  
SWP/2 NS, SWP/2 S, according to EN13353.

**Intended use:** Used as bearing and non-bearing panels, for indoor or outdoor use and fire resistance class D.

**Manufacturer:** AGROP NOVA a.s., Ptenský Dvorek 99, CZ-798 43 Ptení,  
Tax ID: CZ26243237

**Assessment and verification procedures:** **The system of assessment 2+**  
The manufacturer performs:

- determination of the product type on the basis of the type testing (including sampling). Computation for the type, tabular values or descriptive documentation of the product,
- factory production control,
- testing of samples taken at the factory in accordance with the prescribed test plan.

The notified body for production control certification issues a certificate of conformity of production control based on:

- The initial inspection of the factory and of the factory production control,
- The continuous surveillance, assessment and approval of the factory production control.

**The notified body:** Timber Research and Development Institute Prague s.p. performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control (system 2 + according to ZA-norm) and issued a Certificate of factory production control No. 1393-CPR-0019, EN 13986:2015 + A1:2015.
